###

To assist Kansas City area motorists, the Kansas Department of Transportation (KDOT) is delivering its regular traffic advisory detailing planned construction, maintenance activities and significant projects.

This update has information on short-term closures, temporary changes to traffic designed to be cleared by the end of each scheduled work period, as well as longer-term KDOT closures where traffic control remains in place for the specified duration. KDOT construction projects affecting traffic, managed by both project contractors or KDOT maintenance crews, are also included in this advisory.
