Almonds Grown in California; Amendment to the Marketing Order

This rulemaking proposes an amendment to Marketing Order No. 981, which regulates the handling of almonds grown in California. The proposed amendment would establish the authority to borrow funds from a commercial lending institution.

Agency: Agriculture Department, Agricultural Marketing Service.

Document type: Proposed Rule.

Document number: 2026-20622.

Official Federal Register document. Matter furnished by the National Archives Federal Register API. Notice Nearby is not the publisher of record for this item.
