Forged Steel Fluid End Blocks from Italy: Notice of Court Decision Not in Harmony With the Results of Antidumping Administrative Review; Notice of Amended Final Results

On October 2, 2026, the U.S. Court of International Trade (CIT) issued its final judgment in Ellwood City Forge Company v. United States, Court no. 23-00191, sustaining the U.S. Department of Commerce (Commerce)'s first remand results pertaining to the administrative review of the antidumping duty (AD) order on forged steel fluid end blocks (FEBs) from Italy covering the period of review (POR) July 23, 2020 through December 31, 2021. Commerce is notifying the public that the CIT's final judgment is not in harmony with Commerce's final results of the administrative review, and that Commerce is amending the final results with respect to the dumping margin assigned to Lucchini Mame Forge S.p.A.

Agency: Commerce Department; International Trade Administration.
