Impact Aid Programs

The U.S. Department of Education (Department) amends the regulations that govern Impact Aid Programs (IAP) to make technical changes, to include correcting grammatical, spelling, and typographical errors; correcting or updating statutory authority citations and regulatory cross-references; and updating mailing and delivery methods. The technical amendments described in this document do not add or change any regulatory, recordkeeping, or reporting requirement or change interpretation of any regulation.

Agency: Education Department.

Document type: Rule.

Document number: 2026-20687.
