Deep Seabed Mining: Notice of Receipt of Application for Deep Seabed Mining Exploration License and Announcement of Public Comment Period and Virtual Public Hearing

NOAA has received an application for a license to conduct seabed mining exploration activities that is fully compliant with the applicable information requirements of the Deep Seabed Hard Mineral Resources Act (DSHMRA or the Act) and the Act's implementing regulations. As part of the application review process, NOAA will hold one virtual public hearing on Eco Minerals, Inc.'s (Eco) application and will accept written comments on the application submitted electronically via the instructions below.
