Special Weather Statement issued October 12 at 9:13AM MDT by NWS Great Falls MT

Special Weather Statement issued October 12 at 9:13AM MDT by NWS Great Falls MT

Event: Special Weather Statement.

Severity: Moderate.

Area: Northern High Plains; Eastern Glacier, Western Toole, and Central Pondera; Eastern Toole and Liberty; Hill County; Northern Blaine County; Southern High Plains; Eastern Pondera and Eastern Teton; Western and Central Chouteau County; Cascade County below 5000ft; Judith Basin County and Judith Gap; Fergus County below 4500ft.

Areas of fog, which was reducing visibility to generally 1 to 3 miles at most locations, was ongoing over the plains of Central and North Central Montana. Localized reductions to near one quarter of a mile are possible near the north and east slopes of adjacent terrain. Travelers should be prepared for reductions in visibility and the potential for slippery conditions, especially on bridges and overpasses. Slow down, allow extra time to reach your destination, and use your low beam headlights when traveling through reduced visibility.
