Modification of Class E Airspace; Gunnison-Crested Butte Regional Airport, Gunnison, CO

This action proposes to modify the Class E airspace designated as a surface area, the Class E airspace area designated as an extension to a Class E surface area, and the Class E airspace area extending upward from 700 feet above the surface at Gunnison-Crested Butte Regional Airport, Gunnison, CO. These actions would support the safety and management of instrument flight rules (IFR) operations at the airport.

Agency: Transportation Department, Federal Aviation Administration.

Document type: Proposed Rule.

Document number: 2026-20473.
