Challenges and Solutions in Lot-Level Food Traceability; Public Meeting

The Food and Drug Administration (FDA, the Agency, or we) is announcing a public meeting titled "Challenges and Solutions in Lot- Level Food Traceability." The purpose of the meeting is to provide a forum for the public to share information on continued implementation of the "Requirements for Additional Traceability Records for Certain Foods" final rule and areas of concern, especially as they relate to lot-level tracking, and identify potential flexibilities to support compliance.

Agency: Health and Human Services Department, Food and Drug Administration.
