Proposed Data Collection Submitted for Public Comment and Recommendations

The Centers for Disease Control and Prevention (CDC), as part of its continuing effort to reduce public burden and maximize the utility of government information, invites the general public and other federal agencies the opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. This notice invites comment on a proposed information collection project titled Performance Monitoring of CDC's Comprehensive Suicide Prevention Program. This program seeks to reduce suicide morbidity and mortality by 10% in populations disproportionately impacted by suicide in participating jurisdictions.

Agency: Health and Human Services Department; Centers for Disease Control and Prevention.
