Advisory committees are local groups that meet to discuss fishing and wildlife issues and to provide recommendations to Alaska Board of Fisheries and Alaska Board of Game. All meetings are open to the public. Advisory Committees are intended to provide a local forum on fish and wildlife issues. Their purpose includes: 1) developing regulatory proposals, 2) evaluating regulatory proposals and making recommendations to the appropriate board, 3) providing a local forum for fish and wildlife conservation and use, including matters relating to habitat, and 4) cooperating and consulting with interested persons and organizations, including government agencies, and encourage youth and elder involvement in committee activities.

If you are a person who needs a special accommodation in order to participate in any of these public meetings, please contact Leila Williams at 907-267-2354 no later than
