Notice of Agency Determination on Waiver With Respect to Land; Indianapolis Downtown Heliport, Indianapolis, Indiana

The Federal Aviation Administration (FAA) considered a proposal to permanently close the Indianapolis Downtown Heliport and change 5.36 acres of land from aeronautical use to non-aeronautical use and to authorize the sale of the heliport property located at the Indianapolis Downtown Heliport (8A4/Heliport), Indianapolis, Indiana. This notice is published pursuant to 49 U.S.C. 46319, Permanent Closure of an Airport without Providing Sufficient Notice, and 49 U.S.C. 47107(h)(2), Public Notice Before Waiver of Aeronautical Land-Use Assurance. The Indianapolis Airport Authority (IAA/Authority/Sponsor) submitted a request to release the Authority from its Federal Airport Improvement Program (AIP) obligations associated with Indianapolis Downtown Heliport. Upon reconsideration of its initial decision, the FAA has determined the AIP obligations associated with 8A4 will not be released.

Agency: Transportation Department; Federal Aviation Administration.
