

Agnes Joy Kellerman

October 11, 1943 - September 6, 2026

Boise, Idaho

Agnes Joy Kellerman died in Boise on September 6, 2026. She was 82. Born in Boise on October 11, 1943, with German-American roots that shaped the table more than the flag. She learned early that a day is something you finish, not something you wait for.

She balanced books in green ink that did not forgive fiction. Farmers trusted her totals; she trusted coffee and early mornings. Colleagues still mention a ledger with green ink totals.

She married Walter in 1969. They kept a house that stayed modest when the neighborhood did not. They raised a son and a daughter through public schools and ordinary weather. After Walter died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember coffee offered before questions. She liked early mornings before the heat or the noise. She died in Boise, among streets she never needed to explain. The key is still under the same brick.

Services

A memorial gathering in Boise with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
