

Angela Marie Gagliardi

May 21, 1937 - September 5, 2026

Dover, Delaware

Angela Marie Gagliardi died in Dover on September 5, 2026. She was 89. Born in Dover on May 21, 1937, raised among Italian-American manners that never needed a speech. She learned early that a day is something you finish, not something you wait for.

She brought shine to metal until it looked inevitable. A buffing wheel tuned by ear was her signature; piecework never made her careless. Colleagues still mention a buffing wheel she could tune by ear.

She married Frank in 1961. They kept a house that stayed modest when the neighborhood did not. They raised two daughters through public schools and ordinary weather. After Frank died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember someone who swept the sidewalk past the property line when weather had been unfair. She liked early mornings before the heat or the noise. She died in Dover, among streets she never needed to explain. The extra coffee is still in the thermos.

Services

A memorial gathering in Dover with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
