

Arthur Craig Papadopoulos

September 22, 1958 - August 28, 2026

Topeka, Kansas

Arthur Craig Papadopoulos, 67, of Topeka, died on August 28, 2026. Born on September 22, 1958 and raised among Greek-American manners that never needed a speech. He learned early that a day is something you finish, not something you wait for.

She sorted campus mail as if every envelope carried a semester. A sack patch kit kept the room from looking abandoned. Colleagues still mention a campus mail sack patch kit.

He married Deborah in 1983. They kept a house that stayed modest when the neighborhood did not. They raised a daughter and two sons through public schools and ordinary weather. After Deborah died in 2019, he kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember a wave from the driveway that meant you were seen. He liked early mornings before the heat or the noise. He died in Topeka, among streets he never needed to explain. The radio is still tuned to the station that played while work got done.

Services

A memorial gathering in Topeka with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
