

## Dale Wayne Peffley

*December 12, 1929 - February 16, 2022*

Casper, Wyoming

---

Dale Wayne Peffley, 92, of Casper, died on February 16, 2022. Born in Casper on December 12, 1929, into a Swedish-American household that treated work as a language. Young, he understood that quiet competence outlasts loud plans.

He led a line that smelled of piecework and care. A peeler lead apron clip labeled twice rebuilt more trust than memos. Colleagues still mention a peeler lead apron clip labeled twice.

In 1952 he married Alice. The marriage was not a speech; it was groceries, repairs, and a son and a daughter walked to school in weather that did not care. When Alice died in 2015, he kept what still worked: the early walk, the small garden, the call on Sundays.

Neighbors remember someone who knew every child's name on the block. He liked early mornings before the heat or the noise. He died in Casper, among streets he never needed to explain. The Sunday call still has a time slot in the house.
