

Dorothy June Wegner

August 1, 1936 - February 14, 2026

Casper, Wyoming

Dorothy June Wegner of Casper died on February 14, 2026 at the age of 89. Born on August 1, 1936 and raised among Czech-American manners that never needed a speech. She learned that neighborhoods remember who helps without being asked.

She kept logs that turned ore into wages without inventing numbers. A sample log pencil stub worn bright taught apprentices to wait. Colleagues still mention a sample log pencil stub.

In 1962 she married Henry. The marriage was not a speech; it was groceries, repairs, and a daughter and a son walked to school in weather that did not care. When Henry died in 2019, she kept what still worked: the early walk, the small garden, the call on Sundays.

Neighbors remember a jumper cable offered before the tow truck was dialed. She preferred the hour before a town fully wakes. Casper was home enough that she never rehearsed an introduction. The chair by the window still holds the shape of a habit.

Services

Services in Casper will be simple: stories, coffee, and the names of people who showed up. Flowers optional; support for a local clinic or trade scholarship preferred.
