

Frieda Mae Wahlberg

August 27, 1951 - August 20, 2026

Erie, Pennsylvania

Frieda Mae Wahlberg died in Erie on August 20, 2026. She was 74. Born in Erie on August 27, 1951, with Swedish-American roots that shaped the table more than the flag. She learned early that a day is something you finish, not something you wait for.

She fielded parents, principals, and lost lunch money with the same calm. A drawer of hall passes held kindness; children learned her desk was safe. Colleagues still mention a drawer of hall passes and kindness.

She married Karl in 1978. They kept a house that stayed modest when the neighborhood did not. They raised two sons through public schools and ordinary weather. After Karl died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember someone who knew every child's name on the block. She liked early mornings before the heat or the noise. She died in Erie, among streets she never needed to explain. The chair by the window still holds the shape of a habit.

Services

A memorial gathering in Erie with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
