

## Greta Ilse Quackenbush

*July 21, 1947 - August 8, 2026*

Sioux Falls, South Dakota

---

Greta Ilse Quackenbush died in Sioux Falls on August 8, 2026. She was 79. Born in Sioux Falls on July 21, 1947, into a Dutch-American household that treated work as a language. She learned early that a day is something you finish, not something you wait for.

She counted, labeled, and double-checked with a care that kept wards safe. A pill-count tray polished smooth was her quiet instrument. Colleagues still mention a pill-count tray polished smooth.

She married Otto in 1974. They kept a house that stayed modest when the neighborhood did not. They raised a son through public schools and ordinary weather. After Otto died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember someone who knew every child's name on the block. She liked early mornings before the heat or the noise. She died in Sioux Falls, among streets she never needed to explain. The chair by the window still holds the shape of a habit.

### Services
