

Greta Linnea Lindholm

November 2, 1956 - August 28, 2026

Evansville, Indiana

Greta Linnea Lindholm died in Evansville on August 28, 2026. She was 69. Born on November 2, 1956, into a Swedish-American household that treated work as a language. She learned early that a day is something you finish, not something you wait for.

She treated injections and bedside manners as the same craft. Patients kept the calm she modeled; students kept her laminated card. Colleagues still mention a laminated dosage card in her purse.

She married Erik in 1981. They kept a house that stayed modest when the neighborhood did not. They raised two daughters through public schools and ordinary weather. After Erik died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember a rake leaned against a shared fence after a storm. She liked early mornings before the heat or the noise. She died in Evansville, among streets she never needed to explain. The tools are still hung where a hand can find them in the dark.

Services

A memorial gathering in Evansville with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
