

Harriet Ann Birkholtz

August 11, 1934 - August 17, 2026

Hartford, Connecticut

On August 17, 2026, Harriet Ann Birkholtz died at home in Hartford. She was 92. She was born on August 11, 1934 in a Scots-Irish family that measured love in finished chores. From the start, she treated promises like tools: keep them sharp, do not lend them lightly.

She kept files that had to be kind and accurate at once. A file room stamp pad cleaned daily kept numbers from becoming tragedies. Colleagues still mention a file room stamp pad cleaned.

She married Philip in 1956. They kept a house that stayed modest when the neighborhood did not. They raised two children through public schools and ordinary weather. After Philip died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember someone who swept the sidewalk past the property line when weather had been unfair. Mornings were her favorite shift at home. She died in Hartford, on streets that already knew her pace. The tools are still hung where a hand can find them in the dark.

Services

A memorial gathering in Hartford with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
