

Hugh Miles Trelawney

September 27, 1948 - August 22, 2026

Springfield, Massachusetts

Hugh Miles Trelawney died in Springfield on August 22, 2026. He was 77. Born on September 27, 1948, with Anglo New England roots that shaped the table more than the flag. He learned early that a day is something you finish, not something you wait for.

He heard a bad loom the way a musician hears a wrong note. An oilcan with a bent spout fixed more than machines; it fixed paychecks. Colleagues still mention an oilcan with a bent spout.

He married Claire in 1970. They kept a house that stayed modest when the neighborhood did not. They raised a son through public schools and ordinary weather. After Claire died in 2019, he kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember covered dishes that arrived without a speech. He liked early mornings before the heat or the noise. He died in Springfield, among streets he never needed to explain. The garden will come up next spring without being told.

Services

A memorial gathering in Springfield with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
