

Mae Ellen Hendershot

September 14, 1936 - August 28, 2026

Fargo, North Dakota

Mae Ellen Hendershot died in Fargo on August 28, 2026. She was 89. Born in Fargo on September 14, 1936, with Anglo Plains roots that shaped the table more than the flag. She learned early that a day is something you finish, not something you wait for.

She watched bin temperatures like a doctor watches fever. Dust and numbers shared her days; growers trusted her chalk marks. Colleagues still mention a chalkboard of bin temperatures.

She married Harold in 1960. They kept a house that stayed modest when the neighborhood did not. They raised two daughters through public schools and ordinary weather. After Harold died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember covered dishes that arrived without a speech. She liked early mornings before the heat or the noise. She died in Fargo, among streets she never needed to explain. The garden will come up next spring without being told.

Services

A memorial gathering in Fargo with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
