

Nancy Nell Breckenridge

June 27, 1946 - November 28, 2025

Duluth, Minnesota

In Duluth, on November 28, 2025, Nancy Nell Breckenridge died at 79. Born in Duluth on June 27, 1946, into a Polish-American household that treated work as a language. From the start, she treated promises like tools: keep them sharp, do not lend them lightly.

She filled trays that had to become product before weather changed its mind. A mushroom tray chalk stub decided what left for markets. Colleagues still mention a mushroom tray chalk stub.

In 1969 she married John. The marriage was not a speech; it was groceries, repairs, and one son walked to school in weather that did not care. When John died in 2018, she kept what still worked: the early walk, the small garden, the call on Sundays.

Neighbors remember a porch light left on for anyone walking home late. She liked early mornings before the heat or the noise. She died in Duluth, among streets she never needed to explain. The lunch pail still waits by the back door.

Services

Services in Duluth will be simple: stories, coffee, and the names of people who showed up. Flowers optional; support for a local clinic or trade scholarship preferred.
