

Patricia Ann Sutherland

July 2, 1948 - September 3, 2026

Wichita, Kansas

Patricia Ann Sutherland died in Wichita on September 3, 2026. She was 78. Born on July 2, 1948, raised among Scotch-Irish manners that never needed a speech. She learned early that a day is something you finish, not something you wait for.

She routed fear and good news through a headset that became part of her posture. Families called her when they did not know who else to ask. Colleagues still mention a headset worn like a second hairdo.

She married Robert in 1973. They kept a house that stayed modest when the neighborhood did not. They raised a son through public schools and ordinary weather. After Robert died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember someone who knew every child's name on the block. She liked early mornings before the heat or the noise. She died in Wichita, among streets she never needed to explain. The chair by the window still holds the shape of a habit.

Services

A memorial gathering in Wichita with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
