

Robert Bud Nordstrom

January 20, 1943 - March 18, 2024

Reno, Nevada

Family and neighbors in Reno mark the death of Robert Bud Nordstrom on March 18, 2024. He was 81. Born in Reno on January 20, 1943; Norwegian-American cooking and payday thrift set the tone of the house. Early on, he decided that a paycheck and a handshake should weigh the same.

He graded chicks until charts agreed and pride could return. A hatchery grader glove clip meant the next hand could trust the last. Colleagues still mention a hatchery grader glove clip.

He and Doris married in 1970 and raised two children without needing an audience. After Doris's death in 2017, he held to quiet habits-coffee before dawn, a tended yard, a voice on the phone that still checked in.

Neighbors remember a rake leaned against a shared fence after a storm. He preferred the hour before a town fully wakes. Reno was home enough that he never rehearsed an introduction. The Sunday call still has a time slot in the house.

Services

A quiet remembrance in Reno. Those who wish may give to a neighborhood library, food pantry, or workers' aid fund instead of flowers.
