Soo Jin Choi

September 9, 1957 - August 13, 2026

Brooklyn, New York

Soo Jin Choi died in Brooklyn on August 13, 2026. She was 68. Born in Brooklyn on September 9, 1957, into a Korean-American household that treated work as a language. She learned early that a day is something you finish, not something you wait for.

She pressed suits and school clothes with the same care. A press machine tuned by ear was her signature; neighbors trusted her with Sundays. Colleagues still mention a press machine she tuned by ear.

She married Min in 1981. They kept a house that stayed modest when the neighborhood did not. They raised two sons through public schools and ordinary weather. After Min died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember coffee offered before questions. She liked early mornings before the heat or the noise. She died in Brooklyn, among streets she never needed to explain. The porch still expects a returning step.

Services

A memorial gathering in Brooklyn with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
