

Stanley Josef Krawczyk

April 18, 1941 - August 4, 2026

Mobile, Alabama

Stanley Josef Krawczyk died in Mobile on August 4, 2026. He was 85. Born on April 18, 1941, with Polish-American roots that shaped the table more than the flag. He learned early that a day is something you finish, not something you wait for.

He spent decades walking catwalks above furnaces that made their own weather. When a line went dark he arrived without drama, tracing fault to fuse. Colleagues still mention a spare fuse drawer labeled in pencil.

He married Helen in 1963. They kept a house that stayed modest when the neighborhood did not. They raised two sons through public schools and ordinary weather. After Helen died in 2019, he kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember covered dishes that arrived without a speech. He liked early mornings before the heat or the noise. He died in Mobile, among streets he never needed to explain. The extra coffee is still in the thermos.

Services

A memorial gathering in Mobile with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
