

Therese Anne Upchurch

June 29, 1940 - September 2, 2026

Burlington, Vermont

Therese Anne Upchurch died in Burlington on September 2, 2026. She was 86. Born on June 29, 1940, with Franco-American roots that shaped the table more than the flag. She learned early that a day is something you finish, not something you wait for.

She worked nights when the halls were longest, plating trays that had to be hot and kind at once. She learned every allergy card by heart. Colleagues still mention a hairnet she washed every night.

She married Pierre in 1962. They kept a house that stayed modest when the neighborhood did not. They raised a daughter through public schools and ordinary weather. After Pierre died in 2019, she kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember covered dishes that arrived without a speech. She liked early mornings before the heat or the noise. She died in Burlington, among streets she never needed to explain. The chair by the window still holds the shape of a habit.

Services

A memorial gathering in Burlington with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
