

Walter Earl Peckham

October 9, 1938 - August 7, 2026

Idaho Falls, Idaho

Walter Earl Peckham died in Idaho Falls on August 7, 2026. He was 87. Born in Idaho Falls on October 9, 1938, with Anglo West roots that shaped the table more than the flag. He learned early that a day is something you finish, not something you wait for.

He watched bin temperatures like a doctor watches fever. Dust and numbers shared his days; growers trusted his chalk marks. Colleagues still mention a chalkboard of bin temperatures.

He married Lois in 1964. They kept a house that stayed modest when the neighborhood did not. They raised three sons through public schools and ordinary weather. After Lois died in 2019, he kept the routines that still made sense: the walk, the garden, the Sunday call.

Neighbors remember quiet help with a stuck mailbox or a heavy trash can. He liked early mornings before the heat or the noise. He died in Idaho Falls, among streets he never needed to explain. The radio is still tuned to the station that played while work got done.

Services

A memorial gathering in Idaho Falls with coffee afterward. In lieu of flowers, a gift to a local workers' fund, clinic, or neighborhood library is welcome.
