

Tempe building permits, September 27–October 3, 2026

Public notice. Tempe's building-permit service lists 49 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date in that set is October 2, 2026. The largest type descriptions were building permit (41) and water sewer (4). Four other descriptions had 1 row each. Those counts add to 49. The service returned 6 type descriptions in this window. This notice does not list a street address or a permit number. Check Tempe's own copy before you rely on a permit.
