The only clock

The Burlington Planning Commission posted a public hearing Wednesday, October 7, 2026, at 5:30 p.m., in the City Council Chambers at Burlington City Hall, 833 South Spruce Street. The first item is a comprehensive-plan update: discussion of proposed updates to the Parks and Recreation Element. The legal says discussion only. No final decision will be made on that item. A Zoom webinar is on the same notice.

Discussion is not adoption

The same agenda lists a public-facilities element, a long-range planning update, and a permitting update. This paper dates the hour and names the parks element. It does not adopt the element. Skagit County is the door. Snohomish's September 30 tax hearing is a different county.

A planning-commission hour marked discussion only is still a public clock. It is not adoption. Date Spruce Street. Leave the decision for a later sheet.
