

San Francisco building permits, September 27–October 3, 2026

Public notice. San Francisco's building-permits file lists 256 permits with an issued date from September 27, 2026, through October 3, 2026.

The newest issued date in the file is October 1, 2026, at 5:07 p.m. in the timestamp the city published.

By the city's permit-type name, 234 are OTC alterations permits, 14 are additions, alterations, or repairs, and 2 are sign erect. Six rows in the window have no permit type listed.

Those groups add to 256. This notice does not list a street address or a permit number.

No valuation total is stated here because the cost sum query was not returned. Read the city's open-data copy before you rely on a filing.
