

A Clearwater roof prime is already signed

The prime is already picked. Enfield Enterprises LLC won this job.

The award amount is \$1,172,427. The awarding agency is the Department of Transportation. The sub agency on the record is the Federal Aviation Administration.

The award text says the work is a PIE roof replacement and waterproofing project. The place of performance is Clearwater, Florida.

The base obligation date is September 23, 2026. The period on the record runs from September 23, 2026 to March 1, 2027. The award id is 697DCK26C00292. It is a definitive contract. That is a prime contract, not a subcontract.

The NAICS code is 236220. That code means commercial and institutional building construction.

This award is already with the prime. A small contractor does not bid it again. Call Enfield Enterprises LLC and ask about subcontract work. Check NAICS 236220. Watch Florida for the next job like this.
