

Illinois place of performance: federal prime contract awards, September 28–October 4, 2026

Public notice. USAspending lists federal prime contract awards with an action date from September 28, 2026, through October 4, 2026.

This notice counts contracts only, which are award type codes A, B, C, and D: BPA calls, purchase orders, delivery orders, and definitive contracts. Subawards, grants, and loans are not included.

For place of performance in Illinois, the contract count on that filter was 5,390. A place-of-performance geography report on the same contract filter listed an aggregated amount of \$390,604,115.01 for Illinois.

That dollar figure is what the report returned, and it can include changes to older awards. USAspending's awards last-updated stamp was October 5, 2026.

This notice does not list a vendor or an address. Confirm the rows on USAspending before you rely on them.
