

New Orleans building permits, September 28–October 4, 2026

Public notice. New Orleans's public data portal lists 262 building permits with an issue date from September 28, 2026, through October 4, 2026.

In that same count, the summed estimated or reported project cost was \$27,327,160.00. The newest issue date in that set is September 30, 2026.

This is a citywide count only. It does not list a street address, a permit number, or a contractor. Check the city's own copy before you rely on a permit.
