

Baltimore building permits, September 27–October 3, 2026

Public notice. Baltimore's housing and building-permits map lists 27 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date on that map is September 27, 2026. The summed cost field on the same filter was \$158,900. A neighborhood name was present on 23 of the 27 rows. The largest neighborhood counts were Walbrook (3) and Broadway East (2). This notice does not list a street address or a permit number. The count is from the city map, not Baltimore County. Check Baltimore's own copy before you rely on a permit.
