

Baltimore County permits, September 27–October 3, 2026

Public notice. Baltimore County's permits layer lists 257 permits with an issue date from September 27, 2026, through October 3, 2026. The newest issue date in that set is October 2, 2026. The largest type descriptions were residential new (162), residential alteration or addition (21), commercial alteration (19), commercial new (19), and commercial sign (14). Those five groups are 235 of the 257. This notice is the county layer, not the Baltimore city map. It does not list a street address. Check the county's own copy before you rely on a permit.
