

New federal prime contract awards, September 27–October 3, 2026

Public notice. USAspending lists 34,939 new prime contract awards with a base transaction date from September 27, 2026, through October 3, 2026.

The count uses award type codes A, B, C, and D only. It does not include subawards.

The same count, run one code at a time, returned 9,208 for code A (BPA call), 9,986 for code B (purchase order), 15,194 for code C (delivery order), and 551 for code D (definitive contract). Those four counts add to 34,939.

A search of the same dates, sorted by award amount, returned a top row of \$158,000,000. The award ID on that row is 70B01C26F00001125.

The recipient is ENVIRONMENTAL CHEMICAL CORPORATION. The awarding agency is the Department of Homeland Security.

The place-of-performance state code is TX, and the start date is September 28, 2026. USAspending's awards last-updated stamp was September 30, 2026.

This notice does not list a street address. Confirm the award on USAspending.
