

Greensboro building permits, September 27–October 3, 2026

Public notice. Greensboro's building-permits map lists 72 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date in that set is October 2, 2026. The largest application types were new construction (28), interior or exterior alteration (22), addition (7), miscellaneous (6), and deck (3). The map returned 9 application types in this window. This notice does not list a street address or a permit number. Check Greensboro's own map before you rely on a permit.
