

New Hanover County building permits, September 27–October 3, 2026

Public notice. New Hanover County's building-permits service lists 270 permits with an issue date from September 27, 2026, through October 3, 2026. The newest issue date in that set is October 1, 2026. The largest permit types were residential trade (111), residential building (43), commercial trade (28), commercial building (16), and commercial electrical (10). The service returned 21 permit types in this window. This notice is the county file. It does not list a street address or a permit number. Check the county's own copy before you rely on a permit.
