

Cincinnati building permits, September 27–October 3, 2026

Public notice. Cincinnati's building-permits file lists 189 permits with an issued date from September 27, 2026, through October 3, 2026.

Of those, 183 are mapped as Permit Issued and 6 as Permit Finaled. Those two status counts add to 189.

The newest issued date in the file is October 1, 2026. The largest mapped permit types in the window were miscellaneous structures (48), building (45), plumbing (41), HVAC (34), fire protection systems (9), and excavation or fill (5).

This notice does not list a street address or a project cost, because a cost sum was not returned for this file. The source is the city's public data portal. Check Cincinnati's copy before you use a permit.
