

Philadelphia permits, September 27–October 3, 2026

Public notice. Philadelphia's public permits table lists 868 permits with a permit issue date from September 27, 2026, through October 3, 2026.

The newest issue date returned was 2026-10-03T04:00:00Z. Of the 868, the city marked 593 residential and 259 commercial.

Sixteen rows had no residential or commercial label. Those three groups add to 868.

The largest permit types were plumbing (236), electrical (155), mechanical (94), residential building (89), and zoning (85). This notice does not list a street address, an owner, or a contractor.

The count is from the city's public Carto table. Confirm the permit with Philadelphia Licenses and Inspections.
