The only clock

The Snohomish County Council hearings calendar posts a public hearing Wednesday, September 30, 2026, at 10:30 a.m., on Motion 26-372, approving the Summer 2026 Open Space Taxation Applications (ECAF 2026-2087). The public may attend in person at 3000 Rockefeller Avenue, 8th floor, Jackson Board Room, Everett, or on the Council's Zoom.

A tax class is not a levy

Open-space taxation is a classification of land. The October 20 budget hearings in the same room — general levy, road levy, the 2027–2032 TIP — are a different week and a different file. Do not stack them. Clark County's October 1 plan hearing is a different county.

An open-space tax hearing is a public hour on a named motion. It is not the levy. Date Rockefeller. Leave October 20 on its own sheet.
