

## **Nashville building permits, September 27–October 3, 2026**

Public notice. Nashville's issued building-permits service lists 150 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date in that set is October 1, 2026. The largest type descriptions were residential new (55), commercial rehab (20), residential addition (15), residential rehab (14), and demolition (11). Those five groups are 115 of the 150. This notice does not list a street address or a permit number. The count comes from Metro Nashville's public permit service. Check the city's own copy before you rely on a permit.
