

Arlington permit applications, September 27–October 3, 2026

Public notice. Arlington, Texas, lists 66 permit applications with an in date from September 27, 2026, through October 3, 2026. The newest in date in that set is October 2, 2026. This is the application in date, not an issue date. Current status was incomplete (25), pending (24), pre-application (15), and approved for issue (2). Those four counts add to 66. The largest folder-type codes on the layer were RP (23), CP (12), and FE (12). This notice is Arlington, Texas, not Arlington, Virginia. It does not list a street address. Check the city's own copy before you rely on a filing.
