

College Station permits, September 27–October 3, 2026

Public notice. College Station's permits file lists 58 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date inside this window is September 30, 2026. The largest permit types were mechanical (17), electrical (9), and mechanical changeout (8). Those three groups are 34 of the 58. The file also has smaller plumbing, roof, fire, and other types in the same week. This notice does not list a street address or a permit number. Check College Station's open-data copy before you rely on a permit.
