

Austin building permits, September 27–October 3, 2026

Public notice. The City of Austin issued-permits file lists 1,089 permits with an issue date from September 27, 2026, through October 3, 2026.

The newest issue date in the file is October 2, 2026. Every permit in this window falls in one of five type groups: electrical 341, plumbing 259, mechanical 241, building 236, and driveway or sidewalks 12.

Those five counts add to 1,089. This notice is a citywide count.

It does not list a street address, a permit number, or a valuation, because this count did not request those fields. The source is the city's public data portal. Check Austin's own record before you act on a permit.
