The Department of Veterans Affairs Office of Inspector General (VA OIG) is hiring Health Systems Specialist positions under USAJOBS control number 887514400, announcement CCUB-13056490-ML-ST. The series and grade is GS-0671-13.

Published base pay on the announcement is \$90,925 to \$118,204 per year before locality. Locality pay will be adjusted for the selected duty location. Promotion potential is GS-13. The appointment is permanent and full-time. Telework may be available under agency policy. The job is not remote. Travel of 25 percent or less may be required.

Closing date: October 10, 2026. The announcement may close earlier when 200 applications have been received. Apply before 11:59 p.m. Eastern Time on the closing date.

Duty locations listed include Oakland, CA; San Diego, CA; Washington, DC; Bay Pines, FL; Atlanta, GA; Decatur, GA; Chicago, IL; Baltimore, MD; Frederick, MD; Kansas City, MO; Durham, NC; Trenton, NJ; Portland, OR; Pittsburgh, PA; Nashville, TN; Austin, TX; Dallas, TX; Houston, TX; and Spokane, WA. Location is negotiable after selection. Remote work may be considered if a qualified candidate is not within the local commuting area of any listed duty station. Current VA OIG employees remain in their current duty location.

Eligibility (agency clarification): (1) Within the local commuting area and current or former federal employees qualifying as Status Candidates, federal employees currently serving on a VRA, CTAP/ICTAP eligibles, or eligible for special hiring authorities (for example Schedule A for persons with disabilities, or covered by an Interchange Agreement); OR (2) Individuals, no matter where they reside, who are VEOA eligibles; OR (3) Land Management employees eligible under Public Law 114-47. This is not an open-to-the-public announcement for applicants who

do not meet one of those paths.

As a Health Systems Specialist you generally function independently ensuring that reviews, inspections, and program evaluations are properly carried out and that findings and recommendations are developed into a well-written report. Major duties include assisting the project leader on Quality Management and health care program inspections; planning, coordinating, and/or conducting extensive pre-inspection research; and evaluating data-gathering instruments for validity and reliability.

How to apply: create or sign in to a USAJOBS account, click Apply Online on the official announcement, complete the questionnaire and USA Hire assessments as required, and submit the required documents before the closing date. Agency contact path listed on USAJOBS: Staff Acquisition / Office of Healthcare Inspections.
