

Lynchburg permits, September 27–October 3, 2026

Public notice. Lynchburg's public building-permit locations list 25 rows with a start date from September 27, 2026, through October 3, 2026. The newest start date in that set is October 1, 2026. This notice uses the start date the city publishes, not a separate issue date. The largest types were building (8), residential electrical (5), right-of-way (4), and residential plumbing (3). The layer returned 8 types in this window. This notice does not list a street address or a record number. Check Lynchburg's own copy before you rely on a filing.
