

Norfolk building permits, September 28–October 4, 2026

Public notice. Norfolk's public data portal lists 287 building permits with an application date from September 28, 2026, through October 4, 2026.

The newest application date in that set is October 4, 2026. This file counts by application date, so some of these may not be issued permits yet.

This is a citywide count only. It does not list a street address, a permit number, or a contractor. Check the city's own copy before you rely on a permit.
